“God didn’t call us to labor for Him, but to work with Him” (Mike Okuneye)

“God’s work done in God’s way will never lack God’s supply” (Hudson Taylor).

A million words cannot explain the so many great things that the Lord our father did through us. He demonstrated His power in Ministries, Families, facilitators and through partners confirming His word with signs, wonders and testimonies.

The maiden edition of our **Leadership and Mission Conference (#LMC2019)**, held on 28th -29th November at the Harvesters for Christ Ministry HQ. It was a great atmosphere to be, as the Lord spoke to us as Father.

We are so grateful and thankful to all our families, loved ones, partners; Lead Like Jesus (LLJ) & Multiplication Network Ministries (MNM), certified facilitators, friends and the entire body of Christ .

Finally we wish you and your entire family
A Very Merry Christmas and a prosperous New Year.

Yuletide Greetings

The Lord spoke to us as we entered the year 2019, that it’s our Year of **“Power Invasion to become a role model”** (Act 4:33, Matthew 10:1, Psalms 89:19). Like He said; in Isaiah 55:11; *“So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it” NIV.* The Lord was faithful to His word, Great in His action, engaged us with miraculous testimonies, all for His glory and His Kingdom.

Journey so far!

In 1997 God spoke to Mike Okuneye, "Go to Niger as a Missionary." That's how the journey began. LivingWord Global Leadership Missions began with a mandate to raise leaders and to transform nations that will influence their world for Jesus.

Officially the Leadership & Mission organization kicked off

in the year 2014 in partnership with **Lead Like Jesus (LLJ)** who had similar vision to raise leaders that will lead like Jesus. It all began at Harvesters for Christ Ministry with over 150 persons in attendance of her first leadership workshop tagged "Encounter". Since then the organization had a huge transformation, with God bringing people of like passion to be part of this great movement of "raising leaders... transforming nations..."

God has been faithful through the years, such that we have been able to train over 4000 leaders, over 1000 church planters and over 100000 youth leaders, who are representing Jesus in their various field of endeavors. The organization have traveled far and wide with tremendous success nationally, around and across Africa and other part of the world. With over 15 volunteer staff and 4 office staff we have been able to go to remote areas deep in villages where the name of Jesus is rarely heard.

The partnership with **Multiplication Network Ministries (MNM)** whose vision is to plant a healthy Church representing the Kingdom of God in every community and by that, we are sure to take over the globe in the forth coming years.

We hope God is inspiring more persons, church and non-governmental organizations that will allow themselves to be used by God to partner with us in pursuit of the great commission.

Finally, we at LivingWord Global Leadership Mission and the entire work force *we wish you a pleasant Christmas celebration and a year of manifestation of God's glory in your lives.*
